Dear Sir/Madam

The person named below is applying for a position on the Camp/Resort America programme in the United States. This reference serves to support the suitability of the applicant for our Counsellor, Campower and Resort programmes, all of which require high levels of responsibility, commitment and flexibility.

The ideal applicant should have a great sense of humour, enthusiasm, motivation and a caring nature. We also look for those who are well organised and have good team work experience. The specific roles each programme entails are as follows:

CAMP COUNSELLOR

* Living and working with children between the ages of 6-16, often 24 hours a day for nine weeks. The position involves teaching/assisting with sporting, creative and outdoor activities. It is a role that requires excellent leadership skills and the ability to interact well with both co-workers and children.

CAMPOWER

* Working as camp support staff, this role can range from kitchen, laundry and general maintenance work, to cabin cleaning and janitorial duties. As the days are long and often repetitive it is a role that requires stamina and a positive attitude as well as an ability to 'get on with the job' as part of a team.

RESORT

* Working in a service role on an American Resort, which may be a hotel/motel, country club, mountain resort or conference centre. The role can range from housekeeping, guest services, administration, kitchen crew and maintenance duties. Resorts are looking for applicants who are independent, mature and have the ability to work well under pressure and have a positive attitude as well as the ability to 'get on with the job'.

The person providing this reference must have known the applicant for at least six months and have a sound knowledge of the applicant's character and be able to make an objective assessment. This will be an open reference which the applicant will see. If you have any reservations you wish to share with Camp America in confidence, please contact the office indicated below:
