COUNSELLOR PROGRAMME

WORKING WITH KIDS

Don't panic! Counsellors on US summer camps aren't the lie-back-on-a-couch-and-tell-me-about-your-mother kind, they are simply the people who provide general care for the kids and get involved in the activities and daily programmes at camp. There are different levels of counsellor positions available from working with kids as a general counsellor in a wide range of activities to teaching specific areas like sports or waterfront. We're not talking about professional sports coaches, or teachers here... we're talking about YOU! Whatever your skills and strengths, there is a summer camp position waiting for you!

TO TAKE PART IN THE COUNSELLOR OPTION YOU NEED TO BE:

1. 18 and over.
2. Enthusiastic about working with kids.
3. Flexible and ready for anything!

You'd be crazy not to jump on this opportunity! It's the most amazing experience you could ever dream of having. You have the feeling of doing it yourself but at the same time you have all the years of experience Camp America have if and when you need it!

CAMPOWER PROGRAMME

LOOKING AFTER CAMP

.....

Every camp needs a solid crew to work behind the scenes to keep the camp going. These positions are normally in the camp kitchens or utility areas such as laundry, maintenance or grounds keeping and can mean long hours and hard work. However, the real advantages of working as support staff is you get to experience camp with one crucial difference... NO KIDS! And if that isn't enough you also get increased opportunities for time off. If you have previous experience within these kind of you're sure to sit head and shoulders above the rest, especially if you have experience in house-keeping, waitressing and kitchen work!

.....

TO TAKE PART IN THE CAMPOWER OPTION YOU NEED TO BE:

1. 18 and over.
2. A registered student.
3. Able to work both independently & enjoy team-work
4. Willing to give anything a go!

I worked as a kitchen assistant, preparing meals, washing dishes and general kitchen clean up! I decided to use CA, as it was an inexpensive way to spend my summer and a chance to meet new people, make money and travel. There's so little space to write all the exciting things I did and the awesome people I met along the way.
