2021 Camp America Terms and Conditions of Application and Placement (Poland) v.1

The purpose of this agreement is to set out our professional relationship and detail the services we will provide to you. You should understand that Camp America is a Cultural Exchange Programme. The purpose of our programme is to foster global understanding through shared experiences and friendship with US staff and campers in the unique setting that is an American Summer Camp. We are designated a J – 1 Sponsor by the US Department of State and further information about J – 1 programmes can be found at <http://j1visa.state.gov/>

Camp America is part of the American Institute for Foreign Study (AIFS (UK) Ltd) (business address is 37 Queen's Gate, London, SW7 5HR, +44 207 581 7373).

In order to provide the Camp America services to you, AIFS/Camp America needs to collect, use, share and otherwise "process" certain personal information which relates to you (including, but not limited to, your name, age, gender, contact details and country of residence, as well as photographs and/or videos) in accordance with our privacy policy www.campamerica.co.uk/help/privacy-policy.

In particular, you acknowledge that AIFS/Camp America needs to process certain sensitive personal information about you including, but not limited to, (a) medical and/or health information; and (b) the information contained in your criminal record check, which you are required to provide as part of your application to the Camp America program.

You also acknowledge that AIFS/Camp America may need to share some of your personal information with third parties within and/or outside of the European Economic Area as set out in our privacy policy (including, but not limited to, AIFS and/or Camp America's associated companies in the US, independent camps in the US, and government departments in your home country and the US).

1. The Camp America Programme

a) Camp America does not own any camps. If you are a first-time applicant, your camp will pay Camp America a fee which covers agency sponsorship, administrative fees, SEVIS fee and flight contribution (fee will not exceed **\$3025** – not including US domestic flight charges and SEVIS fee). If you are a returner, your camp is billed a \$185 Sponsor Fee, a SEVIS fee and flight costs (if you opt to take a Camp America flight).

b) Applicants who wish to participate on the programme should understand that they enter into this contract with AIFS/Camp America (as the agency charged with finding you a placement and visa sponsorship) and will be bound by the following conditions. Once placed, you will additionally have an agreement with a specific camp. You confirm that your command of English is sufficient to correctly understand these terms and conditions, the English-language source materials mentioned in this agreement and to effectively communicate abroad.

2. Services provided by Camp America

a) Placement

Camp America will assist you in completing your application (via face-to-face interview) and, subject to acceptance on to the programme, make your application available to camps searching for staff. Placements are made according to

suitability of availability dates, skills and experience. Placement is not guaranteed.

b) Flight

Unless stated otherwise on your online Camp America account, Camp America will provide you with a basic Warsaw – New York roundtrip flight, the cost of which is covered by the fee paid by your camp to Camp America on successful completion of assignment. If you opt to fly from a European airport other than Warsaw, or to fly back from an American airport other than New York, you will be charged an additional fee (see our [website](#)). Flights are optional for repeat applicants and per this agreement your camp will be billed for the flight if you decide to use the Camp America flight.

Participants placed in California or Wisconsin, participants electing to take the 'own travel' option, or participants departing from countries that are designated 'own transport' (e.g. Australia & New Zealand) will be required to arrange and pay for their own transport to and from the US. For further details on Own Transport conditions please see **"Participants arranging their Own Transport to & from the US" section below.**

c) Arrival to the US

Participants should expect to undertake transportation from the airport to camp (which will be via plane, bus or train) by themselves. It should be noted that travel costs incurred at this time should be paid by the participant, but that these costs may be reimbursed by your Camp Director upon production of receipts. We advise that you carry a minimum of \$150 in cash for your onward transport to camp. In some instances, participants may stay at a hotel or hostel selected by Camp America for the day of your arrival in the New York area. If applicable, Camp America will arrange transportation for your arrival in New York to the Camp America accommodation following your transatlantic flight. Camp America will not pay any compensation to you if lodging isn't provided or used, for any reason.

Transportation to camp or a night in the New York hotel will **not** be arranged by Camp America for participants who have elected to be on the 'Own Transport' scheme, or who originated from countries deemed Own Transport by Camp America. For more information, please see the OT contract available on the website <https://www.campamerica.co.uk/CAD/own-transport-agreement>. Please note that many May departures fly directly to Camp in all instances. Travel information will be detailed in your travel to camp information via our on-line system.

d) Visa Sponsorship

Camp America will assist you in obtaining a J-1 U.S. visa by provision of the DS2019 and give you information relating to your work in the camp and your stay in the U.S.

e) Medical Insurance

Camp America's insurance provider meets sponsor requirements (such as insurance solvency rating) as specified by the US Department of State. You will be placed on a 'group policy' and where you are required to pay a medical insurance fee, any money paid will be held in a trust account to protect your interests.

podpis

In return for a medical insurance payment we arrange for insurance to cover your medical treatments (up to the coverage limit detailed in your insurance policy) (semi-private room only) and the cost of flying you home if medically necessary in accordance with the terms of the relevant policy. Please note the amount of insurance coverage available complies with J1 Visa regulations. Participants pay a deductible/excess charge in respect of each separate sickness or injury. For details concerning coverage amounts and related limits please see the medical policy available post-placement, from January, on your 'My Camp America' account.

Pre-existing conditions (even if declared in the Camp America application) are not covered by our insurance. Pre-existing Coverage may be available with pre-approval from the insurance company, whereupon payment of an additional fee will secure some additional limited coverage. All applicants (including those taking pre-existing coverage) will be required to complete the Camp America medical questions and submit a medical form signed by a Doctor prior to departure to camp. Mental health conditions are not covered at any time. Applicants are also required to cover any costs of vaccinations required by Camp America or the camp they have been placed at. Complaints regarding medical insurance should be directed to Allen Langer (alanger@campamerica.co.uk).

Our emergency medical assistance is provided by AXA +1-855-327-1411 (from outside the US call +1-312-935-1703). Participants with pre-existing conditions are required to check if the Camp America insurance will provide adequate coverage (or if you will need to take out a private policy), by calling, at their own expense, the screening service 'Travel and Medical Insurance Services' (TAMIS) at +44 1689 892 293.

Those not taking Camp America insurance will be required to submit their full policy translated (at their own expense if necessary) into English to Camp America and pay an additional administration fee (currently GBP 48/ PLN 232) in order that we can check and confirm that the coverage meets the regulatory standard and our sponsor obligations.

f) Emergency/Crisis Management

Camp America will make available at Camp America headquarters in Connecticut during normal business hours throughout your stay in the U.S. a member of our staff for purposes of consultation who can be reached by telephone +1-203-399-5414 (from outside the US) or on free-phone +1-866-222-2074 (inside the US – note that the call is free of charge only if made from a U.S.-based landline, otherwise you will be charged regular fees) and provide emergency back-up services.

3. Applications to Camp America

a) All applicants to the programme should be aware that Camp America is committed to child protection and the safeguarding of children and adults at risk. We require all participants to understand that any inappropriate behaviour toward children and adults at risk in the USA will be reported by camps to law enforcement authorities and the full force of the law will be brought to bear on perpetrators of abuse. We operate a Safer Recruiting policy and will require references, police checks, medical checks and other documents from you to support your application to our programme. Camp America believes that children and adults at risk should never experience abuse of any kind and we are committed to work in a way that keeps Child Protection and Safeguarding at the centre of our practices and procedures.

You can read Camp America's full Child Protection and Safeguarding policy here:

<http://www.campamerica.co.uk/about-us/child-protection>

To apply to the Camp America programme, you must be at least 18 years of age by June 1st, be able to provide a police check (or DBS check if applying in the UK) and provide details for two referees that adhere to our reference policy.

You can see our reference policy here:

<http://www.campamerica.co.uk/help/faqs>

References are confidential and in line with paragraph 24, Schedule 2 of the Data Protection Act 2018, there is no obligation to comply with a subject access request in relation to a reference given (or to be given) in confidence for employment, training or educational purposes.

Applications for the season are made via our on-line system which is administered by AIFS (UK) Limited. You agree to accept communications via our online system as well as via email, text messages, telephone, messenger applications such as Facebook Messenger, and social media channels. You also agree that the terms of our privacy policy <http://www.campamerica.co.uk/help/privacy-policy> and cookie policy <http://www.campamerica.co.uk/help/cookie-policy> are incorporated into and made a part of these terms and conditions.

You are required to complete the application fully and honestly and failure to fully disclose your criminal and medical background at the earliest stages may result in additional charges and cancellation of application without refund.

b) Applications cannot be considered without the non-refundable Application Fee payment. Returners hoping to return to camp should check with their camp that they will be offered a position before paying the non-refundable application fee, as this fee is not refunded if camp will not offer a position or will cancel the placement.

c) We actively promote equality of opportunity for all our applicants and seek out the right mix of talent, skills and potential and we welcome applications from a wide range of candidates. We select all candidates for interview based on their skills, qualifications and experience. At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to a position with Camp America.

d) Booking a meeting with a Camp America interviewer/consultant (an "interview" or a "consultation meeting") or acceptance of your application at a placement event constitutes application to the programme.

f) It is your responsibility to ensure your application is completed and relevant documents submitted in a timely manner. We expect that all references, police checks and medical forms will be submitted and deposits paid no later April 1st, 2021. Failure to do so may result in cancellation from the programme with no refund given. If you are placed after April 1st, 2021, a separate deadline will be communicated to you. Returners will be expected to adhere to deadlines in order to keep their discounted application rate.

g) Repeat applicants applying to a new camp are required to have a positive reference from their former camp and attend

11. Criminal Background Checks

a) You are required to declare criminal convictions including juvenile cautions, reprimands and current charges on your application form. This is also a requirement of the US Embassy in the visa process. As Embassy regulations are extremely strict, non-disclosure of information may result in a longer visa process and in some cases visa refusal. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment. No refunds will be given to participants whose visa has been refused due to a non-disclosed criminal background. Failure to disclose details of criminal convictions (including juvenile, cautions and current charges) are grounds for dismissal from the programme, and will lead to any payments already made being

forfeited. If you have had incidents with the law, you are advised to check our website <https://www.campamerica.co.uk/costs/applying/requirements> and discuss such matters with your interviewer or the local recruitment office before you are interviewed for the programme. Please note that because all our participants work closely with children our programme comes under the Rehabilitation of Offenders Act 1974 (Exception) Order 1975 (as amended in 2013) and you must therefore declare relevant spent convictions. Offences relating to drugs or violence will render you ineligible for the programme. Please also note that some camps undertake random drug testing during the summer.

b) Camp America requires all participants including returners to provide criminal background checks (see our [website](#) or talk to your interviewer for details). Charges for a criminal record check varies from country to country and payment will be the responsibility of the applicant. Camp America reserves the right to dismiss anyone from the programme without compensation or refund if they are found to have concealed any criminal conviction, caution or pending charge. You are therefore advised to make such information known at the earliest possible opportunity. If you have problems with legal authorities between applying to the programme and embarking for the United States you must notify the London Office of Camp America immediately. Any attempts to conceal such incidents are grounds for dismissal from the programme and will lead to any payments already made being forfeited.

c) *UK only* - in the UK, Scotland and Northern Ireland, it is Camp America policy to obtain DBS checks under the American Institute for Foreign Study (AIFS) name. You will be required to supply 3 forms of identification at interview. Following your interview (within 2 days) you will be required to go online and submit your payment for Police Check directly to our processing partner according to instructions we give you. This charge is currently £59 but subject to change beyond our control. If you are unable to present all 3 forms of identification at interview, you will be required to complete an ID check in person with the Post Office. The Post Office will charge a fee for undertaking this ID Check service of approximately £11 which is also subject to change beyond our control. Once you have received your DBS check, you will be required to submit your original DBS certificate to Camp America within 7 days of receiving the check. In some cases the type of Police Check requested may change due to conditions beyond our control. Applicants who fail to submit their police check forms in a timely manner may be required to obtain additional checks at their own expense.

d) By signing and submitting your application for to us and later submitting your police/DBS check, you acknowledge that this check will be shared with Camps (see our privacy policy www.campamerica.co.uk/help/privacy-policy for further details on how we use this information).

e) Applicants without a clear police check should be aware that additional costs will be incurred if additional checks are deemed necessary and may also incur substantial additional Embassy costs during the visa application process.

f) Applicants should be aware that they may be required to complete additional US State Police checks and finger prints (in addition to checks completed in their home country). When required these checks are completed upon arrival at camp. Checks are handled differently by each camp and state. Some additional charges may apply.

12. Medical Background Checks

a) There are a number of medical conditions that render applicants' ineligible for the programme. Please see the FAQ section on our website, www.campamerica.co.uk, for the details of our current medical policy. <http://www.campamerica.co.uk/help/faqs>.

b) You should not apply in 2021 if you have a condition that is deemed a risk with respect to Coronavirus COVID-19, medical insurance will not cover in the case of such pre-existing conditions. Please see the FAQ section on our website, www.campamerica.co.uk, for the details of our current medical policy: <http://www.campamerica.co.uk/help/faqs>.

c) Having checked the website, please discuss with your interviewer any medical problems that you have or have had in the past which may affect your chances of being placed or of participating on the programme. You will be required to complete a medical history form countersigned by your doctor. Failure to disclose relevant medical information at the earliest opportunity is grounds for dismissal from the programme. Any payments already made will be forfeited, and our medical insurance policy rendered invalid.

d) Please note that pre-existing medical conditions may not be covered by Camp America's insurance provider, and participants may be required to buy an independent supplementary policy at their own additional expense to ensure they have sufficient coverage for programme participation. An additional administrative fee will apply in order to check the additional policy meets the necessary regulatory programme standards as set by the US Government. This insurance policy must specifically cover working situations. Exclusions on the Camp America policy mean that hospital bills etc. for mental conditions including depression and anxiety, self-harm and injuries caused while intoxicated will not be covered under the Camp America policy and you will be personally responsible for any such costs. Please check that the Camp America policy document for full details of all exclusions.

13. Changes to your Criminal or Medical Background

a) Even after you pass the interview and are accepted as a candidate for the programme and after being offered a place, it remains your responsibility to inform the Camp America office by email to enquiries@campamerica.co.uk and help@campamerica.pl of any material changes to your medical or criminal history.

b) You are expected to supply criminal history documentation and medical documentation within 14 days of placement. The final deadline for all documentations is 1st April 2021.

Pre-departure

Camp America must be notified immediately, before your departure for the US, if you have been exposed to a communicable disease, have sustained a serious injury or have any other changes to your general medical condition. Additionally, you should notify Camp America if you plan to

podpis

travel or have travelled outside of your home country in the 4 weeks prior to departure. Camp America reserves the right to vary, delay or cancel your placement should your criminal or medical circumstances change or deteriorate between the time of your application and the date that you are due to depart for the United States. In addition, in the event of a change to your medical information or non-disclosed medical information coming to light, details of this may be disclosed to your named emergency contact for your own protection.

14. Vaccinations

It is a mandatory requirement that participants have been vaccinated against Measles, Mumps & Rubella and Camps expect that participants will have fully completed their country's general immunization schedule against vaccine-preventable diseases. You will be asked to evidence this on your Camp America medical form. In some instances, a camp may be unable to take you if you have not been fully vaccinated. If you are concerned, you should discuss this with your Doctor. Additionally, some camps may have additional vaccination requirements and any costs incurred will be the participant's and agreed by accepting the placement.

15. Obtaining the J-1 Visa

a) You agree to complete all visa requirements including attending personal interview at the United States Embassy or Consulate at your own expense in accordance with the instructions thereof and to be responsible for obtaining a valid passport at least six months prior to departure, but no later than on 31st January of the year of departure. The passport should be valid until at least April 2022.

b) Once you have accepted a placement and upon receipt of the assessment fee and police check, Camp America will then register your details in the U.S Government Student and Exchange Visitor Information System (SEVIS) to issue form required for application for the J-1 visa from your nearest American Consulate. Prior to confirming your placement, you are required to check that your personal details are correct in our database (this includes names as on passport, date of birth, nationality etc) to ensure your DS2019 is printed correctly. Failure to do this will result in an additional DS2019 re-print fee of £10/PLN48 per DS2019 form.

c) You cannot participate on the programme without a J-1 visa stamped in your passport.

d) The J1 visa is obtained by attending a face to face interview at your nearest American Embassy/Consulate. All US embassies now impose dollar based visa fees mandated by Congress (currently US\$160 plus courier fees), which you will be required to pay in addition to Camp America payments (see our website <https://www.campamerica.co.uk/costs/costs-process-explained> for the most recent details). Applicants are also responsible for the costs of travel to and from their visa appointment and any courier fees charged by the embassy (see our website for further details of embassy procedures <http://www.campamerica.co.uk/help/faqs>). Applicants are advised to complete visa interview formalities as soon as possible once placement is confirmed. Interview appointments become very booked up after April 1st – and failure to book a timely appointment or update your online Camp America account with your appointment date will constitute cancellation from the programme.

e) It is an expectation of the US Embassy for all participants to provide reason for proof of return to their home country.

f) Repeat Applicants – Applicants intending to repeat on the Camp America programme are required to have their visa

application submitted to the embassy before March 1st. Currently the number of visas that can be issued annually to participants returning for a third summer or more are capped and only available to applicants who have previously participated in the Camp America programme. Therefore, application before December is advised.

16. Visa Refusal

a) If you are refused a visa by the American authorities, please inform Camp America immediately. Partial refunds of payments made to Camp America may be made at the discretion of Camp America, once proof of refusal is received. If you have been previously refused a visa, you have failed to follow instructions given by Camp America regarding your visa application, or have an undisclosed criminal conviction, or your visa was refused due to misrepresentation of any data on your part, no refund will be given. It should be noted that to process your J-1 visa the US Embassy will be required to keep your passport for a number of days in order to print the visa into it. You should notify Camp America if you need to use your passport for other travel in the February to July period. Please email to visa@campamerica.pl and visa@campamerica.co.uk.

If you are refused a visa due to content on your social media accounts, a refund will not be applicable.

17. Visa Regulations – while in the USA.

a) You are permitted to enter the US no more than 30 days before the programme date shown on your DS2019. This is termed a 'Grace Period'. You are not permitted to work during this time. Upon successful completion of your programme you have a further grace period of 30 days to depart the US, **during which time you are not authorized to work.** The United States Government has systems to track participants who overstay their visas and the penalties involved may well include bans of up to 10 years for the violator and their relatives. Camp America will assist the United States authorities in every way to identify anyone who violates the privileges of their J-1 cultural exchange visitor visa. In addition to reporting all violators of the visa to the US authorities, Camp America will report all such visa misdemeanours to the university, college, employer and referees of anyone who abuses the privileges of the visa. Please note that Campower programme participants, who are university/college students, must return to their home country within 30 days of their programme end date (as printed on their DS 2019), but no later than in time for the beginning of the academic year, which for Poland has been established as Oct 1st (regardless individual school timetables and individual students' cases) - even if their grace period extends beyond that date.

b) If you are participating on the Campower programme, you will additionally be required to complete a 'Monthly Check-In' which will be emailed to you every three weeks. Completing this questionnaire is a regulation of your programme and failure to do so could potentially have serious visa implications.

c) Any participants who fail to comply with our payment, medical or criminal policies may jeopardise their status with the programme. As your visa sponsor, Camp America is required to maintain your visa sponsorship status in the SEVIS system. We have the right to revoke J-1 visa sponsorship at any time if you fail to comply with programme requirements – this includes once your visa has been issued. If your visa is set to 'inactive' while you are in the US, you will have 30 days to regularize your status or depart the US.

d) You agree to abide by all appropriate regulations and instructions of the U.S. Government, including returning home within the designated period of 30 days following

podpis

successful completion of the programme (Campower programme participants – please also see point 16 a).

e) As your visa sponsor, Camp America is required to maintain your visa sponsorship status in the SEVIS system. We have the right to revoke J-1 visa sponsorship at any time if you fail to comply with programme requirements – this includes once your visa has been issued by a US embassy. If your visa is set to 'inactive' while you are in the US, you will have 30 days to regularize your status or depart the US.

18. Participation on Camp America – placement on a camp.

a) Camp America does not own or in any way assume responsibility for the operation of camps as they are independently owned and operated. As a consequence, Camp America cannot, and does not, accept liability for any decisions, actions or omissions of whatever nature made by or on behalf of the proprietors or directors of the camps. If you consider that you have suffered any loss, injury or damage whatsoever as a result of any such decisions, actions or omissions, your right to recourse lies against the director or proprietor of the individual camp or resort. Your acceptance of a placement with a camp is subject to this condition.

b) You are required to complete a 9-week assignment (10 weeks for Day Camps).

c) Any requirement to work longer than 9 weeks should be confirmed with your Camp Director prior to the start of your placement. Participants taking a Day Camp placement may be required to undertake a 10 week placement due to the time off given during the placement. Camp America is required by the US Department of State to keep your SEVIS record updated. You are therefore required to keep Camp America informed of any changes to the length of your placement.

d) The responsibility of the camp to you is limited to housing, food, linen, the cost of transport from the arrival city in the U.S. to the camp (if applicable), and pocket money paid to you by the camp. If any problems should arise between you and your camp during the course of your stay, you must promptly inform our representative in Connecticut via our 24/7 answering service on +1 866 222 2074 and additionally inform us in writing in English to help@campamerica.pl.

e) Exception States: In order to comply with State Law, participants placed in California and Wisconsin will be required to adhere to a different model from the standard Camp America model. Participants will be required to arrange and pay for their own flight (they will pay a lower Camp America fee) and will receive pocket money in line with relevant minimum wage and permitted deductions (including medical insurance, housing and food). Participants accepting a placement in California and Wisconsin will be required to agree to additional Terms and Conditions prior to confirmation of placement.

f) Additional costs: In certain states, additional state checks (either criminal or medical) may be applicable. These are usually paid by the participant upon arrival to camp and will be confirmed by your camp prior to departure.

19. While on Camp:

a) You agree to carry out your Camp Counsellor or Campower duties and other responsibilities towards the participating camp to the best of your ability and with due respect.

b) You agree to co-operate fully with those supervising the programme on behalf of Camp America, and you agree to abide by any reasonable instructions they may give you.

20. Child Protection

a) Camp America considers children and young people to be individual and valuable members of society who have an unconditional right to be treated with dignity and respect. As such they should be fully protected against any exertion of inappropriate power, whether sexual, physical or emotional. **Relationships with campers, or with anyone under the age of 18, are strictly forbidden. You are not permitted to accept campers or anyone under the age of 18 as 'friends' on social media. This is a zero tolerance policy.** Camp America will fully support any action taken against perpetrators of abuse.

21. Behaviour, social media, drugs and alcohol

a) You agree to abide by all lawful rules and reasonable regulations of Camp America contained herein and of the camp in which you are placed. **Please be advised that all camps have a strict no alcohol/drugs policy. This is a zero tolerance policy.** Camps will also have no smoking policies that may extend to local towns as well as camp grounds, **most camps also operate a curfew requiring you to return to camp by a deadline when on time off. If you break any of these rules you will be required to leave camp immediately and will be responsible for your own costs and for any costs incurred by Camp America through non-payment or reduced payment of fees by the camp. It is illegal to buy, consume or be in possession of alcohol under the age of 21 in the USA.**

In line with standard protocols when working with children and vulnerable adults, participants are expected to ensure all social media accounts are set to private prior to departure to the US. Participants are required to supply personal social media accounts as part of the visa application process and the US Embassy may use this information to determine suitability for the programme.

22. Emergencies while in the US

a) You understand that Camp America or its affiliates or agents may, without liability, or expense to themselves take whatever action they deem appropriate with regard to your health and safety and may place you in a hospital for medical services and treatment or, if no hospital is readily available, may place you in the hands of a local medical doctor for treatment. You undertake to reimburse us, our agents or the summer camp in which you are placed for any expenses incurred by us or them in taking any action reasonably considered necessary in the interests of your health and safety, which is not covered by the medical insurance policy. If deemed desirable by Camp America or its agents, you authorise them to transport you back to your country of origin at your own expense.

b) You agree to waive and release Camp America and its affiliates, agents and employees from any claims whatsoever arising from any injury, loss, damage, accident, delay, or expense resulting from events beyond its control, including without limitation acts of God, acts of war, strikes, incidents of politically motivated violence, terrorism, epidemic, pandemic, sickness or quarantine, government restrictions or regulations, and, in the absence of gross negligence (or negligence in the case of personal injury) by Camp America, arising from the use of any vehicle or from any act or omission by any agent or employee or guests of the participating camp, individual, firm, or company in relation to transportation to, from and within the U.S. or another facility or service organised on your behalf.

23. Pocket Money (payment from Camp) and Taxes

a) Camp Counselors and Campowers (who hold J-1 visas) are required to file a U.S. Federal income tax return and in certain cases, a State income tax return to satisfy their U.S. income tax liability. If tax has not been deducted by your camp, then participants are required to make their payment to the US tax authorities when submitting their tax return. The deadline for tax payments is April 15th in the following year.

b) Reimbursement for the full pocket money indicated in your online personal placement profile will be awarded based upon the following criteria of days worked - 63 days for Camp, 70 days for Day Camps. If you do not work the full amount of days indicated above for your respective programme, you will be awarded your pocket money on a pro-rated basis upon the number of days you actually worked. If you leave the programme for any reason, you will also only be given pro-rated pocket money based upon your actual days worked. This pocket money payment **includes** the refund of payments you paid to Camp America prior to your departure. The amount of pocket money ("kieszonkowe"/"suma gwarantowana") is a gross amount ("kwota brutto"). Therefore taxation must be deducted from the amount of pocket money you receive.

Please note that our organization does not have tax preparation capabilities but can provide a referral to an accounting firm which can assist with completing and filing the foregoing tax forms and remitting the tax due to the U.S. Internal Revenue Service ("IRS"). For more information on tax please visit <https://www.campamerica.co.uk/taxes>.

Your pocket money may be subject to taxation in your home country. You are responsible for making your own tax declarations. You can note that pocket money includes reimbursement for application fees paid to Camp America. (this reimbursement does not include the Application Fee which is non-refundable). Please note that you are personally responsible for payment of any taxes due in your home country and that Camp America employees or interviewers cannot and will not assume the role of your tax advisors.

24. Participants taking a Camp America Flight to the US

a) Confirmation of your flight via your online Camp America account, is your confirmation to us to ticket your flight. If you withdraw from the programme following the ticketing of your flight, you will be required to pay an additional \$325 towards your unused flight ticket. Penalties are necessary because of the expense of flight reservations, interviewing, matching applicants with vacancies and general administrative costs involved in the programme. Camp America must be informed immediately of all cancellations.

b) In most instances your departure airport will be assigned according to the country from which you apply. The flight will either be free or subsidised and a regional supplement due. If you wish to depart from an airport different than indicated by Camp America, you must inform your local office no later than on the day of obtaining your placement. Camp America does not guarantee that your request will be fulfilled, but if it is, an additional charge of min. PLN 250 will apply.

c) No changes to your choice of departure airport can be made after 1st March 2021.

d) After you have chosen the return date of your flight and your westbound (to US) flight has been ticketed, any changes will incur a minimum penalty fee of \$325 (minimum) prior to departure. If you reject your assigned westbound flight once your flight is ticketed, the penalty is increased and can be up to the full price of your ticket.

e) You understand that Camp America flights for Polish participants, unless specified otherwise, will normally depart from and return to Warsaw (unless a special surcharge is paid to Camp America, no later than on the date of placement, in order to depart from another airport in Poland, given that such flight is available and arrives on the date and time agreed with your camp) and that you are responsible for any other transport costs prior to departure and upon your return.

f) You agree to be present in good time for all flights or other transportation provided or arranged by Camp America. Camp America will not provide or be responsible for alternative flights or transportation.

25. Participants taking a Camp America Flight from the US

a) You understand that you must make your own way back to your assigned U.S. departure airport at the end of the programme in time for your return flight and pay any transportation costs from your camp to the airport. Your assigned U.S. departure airport will usually be New York – note that it may be JFK or Newark airport and you are responsible for finding out which one you will be departing from.

b) Detailed procedures of eastbound (from US) flights will be sent to you from August 1st 2021.

c) Due to a high volume of air travel there are certain dates that may be very difficult to book flights back from the USA. For summer 2021 these dates are August 26th to Sept 4th 2021. Unless a flight date is requested before April 1st 2021 we will be unable to provide flights during the specified dates.

d) You will be required to select your return flight option no later than on the day of your embassy appointment and any changes after ticketing your flight will require a change fee of a minimum \$325. All changes will be subject to airline availability in the booking classes or codes that we utilize and we cannot guarantee that your requested date will be available. In some cases flights might be available at a price over and above that covered by the \$325 change fee and if this is the case you will be offered the option to pay the costs over and above \$325 in order to get the date you have requested or remain at your original date or accept an alternative date/route, if available, that we can offer within the \$325 change fee.

26. Participants arranging their Own Transport to & from the US

a) As an OWN TRAVELLER you are responsible for making your own travel arrangements to and from America - you are not eligible to fly on a Camp America flight in either direction or stay in the Camp America hotel.

b) The deadline for changing to either a Camp America flight or the Own Transport option is 1st March 2021 (note, Camp America flight option is not available for applicants placed in California/Wisconsin). Any changes after this date will be subject to a penalty fee being imposed.

c) Your Camp Director is responsible for providing you with information about how to get to the camp.

d) You are advised not to make any international/domestic flight arrangements that cannot be cancelled/altered without a refund, even if you have had a placement confirmed. This is in case last minute placement changes have to be made or the placement falls through, or your visa is delayed/not granted. Camp America will not make any compensation

podpis

payments for any travel arrangements that you need to change or cancel in any circumstances.

e) All flights or other bookings purchased from Camp America agents are considered to be private arrangements made independently and are not part of the Camp America programmes in any respect.

f) Your date of arrival at your camp must be in strict accordance with your camp's instructions, and should coincide with the Camp America arrival date on your placement information. You should additionally notify Camp America and your camp of any countries you will be transiting through prior to your arrival at camp. At the end of your 9-12 week assignment you will be responsible for your own transport home. The insurance package will commence 2 days prior to the start date listed on the placement page of your online Camp America account. If you are going to enter the US prior to this date you must contact help@campamerica.pl and insurance@campamerica.co.uk – otherwise your insurance won't be valid. Coverage ends at 153 days, October 31st or the date you cease to be a Camp America participant, whichever date comes first. Failure to show at camp will result in all insurance being terminated.

g) If you are fired it is your responsibility to make your own return flight reservations and all costs incurred are your responsibility. You must also send your flight details to help@campamerica.pl.

For participants from Australia & New Zealand: our local offices will provide you with a referral to partner travel agents who can provide assistance. Pocket money rates paid to Australian and New Zealand participants have been enhanced to include a contribution towards airline costs.

27. If Camp America fail to place you

a) The Camp America first payment is non-refundable even if we do not accept your application or if we fail to find you a placement. However, any additional payments made to Camp America may be refunded on a discretionary basis. Please note that third party costs (such as police check fees, doctor's appointment fees, visa fees etc.) are not refundable. Being unplaced in a season will not affect any future applications to Camp America.

28. If you withdraw from the programme: before placement.

a) Substantial expenses are incurred by Camp America on your behalf while your application is considered by Camp Directors. If you withdraw following a successful interview, you will forfeit your Application Fee, Assessment Fee and Confirmation Fee (at Camp America's discretion exceptions may be made in some cases of bona fide illness or medical incapacity as confirmed by a medical certificate issued during the current year, but will not include the Application Fee which is non-refundable in all instances.) If you decide to withdraw from the programme, you must inform Camp America via your online Camp America account immediately in order to reduce or limit penalties due.

29. If you withdraw from the programme: after placement (prior to departure)

a) After placement, if you fail to participate for any reason except bona fide illness, medical incapacity (as confirmed by a medical certificate and at Camp America's discretion), the Application, Assessment and Confirmation payments, together with any regional flight surcharges will be forfeit.

30. Once in the US: if you withdraw from the programme or your placement is terminated

a) Should you decide to leave camp early or if you do not qualify for or accept a rematch, you will be liable to reimburse Camp America US\$800 - a portion of the agency fee which is normally paid by camp on the completion of your 9 week assignment. This amount will be pro-rated (as will your pocket money) according to the number of days completed.

b) If you are unable to complete your assignment due to a medical reason (as determined by a doctor in the US) Camp America Insurance, if purchased, will cover the cost of your alternative flight home in accordance with the terms of the relevant policy (pre-existing conditions may not be covered). The amount of pocket money to be paid will be determined on the time you worked on camp. Application payments, airport tax contribution, insurance payment and all other payments will not be refunded.

c) If you are fired from camp, resign, leave camp due to homesickness or if you engage in conduct that in the opinion of Camp America is deemed detrimental, our sponsorship will be revoked, you will forfeit your pocket money, application payments, airport tax contribution, insurance payment and all other payments. You will be financially responsible for your costs to fly home and subject to the terms of program reimbursement stipulated in item 30 a). In such cases you are required to contact Camp America immediately on +1-866-222-2074 (24 hour number).

d) Camp America has a legal and moral obligation to report to the US authorities anyone who leaves the programme prematurely (of their own decision or by being fired from camp for any reason) or who in any other way violates their J-1 cultural exchange visitor's visa. You will also be liable to pay up to US\$800 to cover costs incurred by Camp America through non-payment or reduced payment of fees by the camp.

31. Seeking a rematch while in the US

a) Sometimes participants may seek a rematch to a different camp while in the US. Once you arrive in the US, Camp America's ability to rematch you, if your initial placement is unsuitable, is limited, but we will make every effort. It is important that you contact our US office and if possible, we will undertake the search for an alternative placement - however, it is extremely difficult without a positive recommendation from your previous camp. Accommodation and food costs etc during the time of seeking a new placement will be your responsibility. During this time you will be required to maintain daily contact with our US office or will be deemed to have left the programme and cancellation of our visa sponsorship will ensue. Even with a positive recommendation rematch after firing is at Camp America's discretion, and if not possible, penalty fees will apply.

In order for Camp America to begin search for the alternative placement, you will need to quit the original placement first, leave your camp on your own and at your own expense and wait for the alternative placement at a place agreed on with Camp America. Accommodation, travel and food costs etc. during the time of seeking a new placement will be your responsibility. Therefore, you will need to cover the cost of your stay at that place and subsequently all the travel costs to the alternative placement. Participants who do not accept a new placement at that time will also be liable for the cost of their return flight. If a new placement cannot be found, you will be required to leave the country immediately.

32. Camp America withdrawing a placement prior to departure.

a) In order to protect the children in the facilities to which we send staff, Camp America reserves the right to cancel placement without explanation right up to the moment of departure. In these very rare circumstances, at Camp America's discretion, a refund of charges may be made.

33. Application Deferrals ('Rollovers')

a) In some instances Camp America may, at our discretion, offer the opportunity to defer an application or placement to the following season. Rollovers are offered in extenuating circumstances only and are never guaranteed.

b) Any rollover offered will be valid for the following summer unless otherwise specified. There will be a limited time in which a rollover offer can be accepted. Acceptance of a rollover will be made via the applicants' 'mycampamerica.com' online account, where separate terms and conditions pertaining to the particular season's rollover offer will be displayed.

34. Refunds and Complaints

a) We take complaints very seriously and request complaints to be put in writing. We will always endeavour to provide you with a detailed response in a timely manner. Applicants should be aware that all refund claims should be submitted by November 30th in the year you applied for or participated on Camp America programme. No further claims will be accepted after this time. Complaints should be written in English and emailed to enquiries@campamerica.co.uk with the subject heading of 'Complaint', with an email copy to help@campamerica.pl. Insurance complaints should be emailed to alanger@campamerica.co.uk, with an email copy to help@campamerica.pl.

b) It should be noted that Third party fees are non-refundable. The Camp America first payment is also non-refundable. Other Camp America fees may be refundable in certain circumstances but at our sole discretion.

35. Participation on a Cultural Exchange Visitor Programme

a) You understand and acknowledge that you are not an employee or agent of Camp America or any affiliate thereof and agree not to make any representations to any third party or employee of the participating camp to that effect. You understand that you are a cultural exchange visitor.

b) As a Cultural Exchange Visitor you are expected to experience and form a greater understanding of the culture of the US. Camp America encourages you take full advantage of days off and time after camp to travel, learn and enjoy.

35. Force Majeure

Neither Camp America, nor AIFS shall be deemed in default of this Agreement or, unless otherwise expressly provided therein, or any ancillary agreements, addendums or materials, for any delay or failure to fulfil any obligation hereunder or thereunder so long as and to the extent to which any delay or failure in the fulfilment of such obligation is prevented, frustrated, hindered or delayed as a consequence of any event beyond such either's reasonable control including but not limited to Acts of God, government actions (including those restricting travel), epidemics, pandemics, fire, flood, explosion, earthquake, or other natural forces, war, civil unrest, accident, any strike or labour disturbance, or any other event similar to those enumerated above (a "Force Majeure Event"). In the event of any such

excused delay, the time for performance of such obligations shall be extended for a period equal to the time lost by reason of the delay. A party claiming the benefit of this provision shall, as soon as reasonably practicable after the occurrence of any such event, (a) provide written notice to the other party of the nature and extent of any such Force Majeure Event; and (b) use commercially reasonable efforts to remove any such causes and resume performance under this Agreement, or any ancillary agreements, addendums or materials, as applicable, as soon as reasonably practicable. Notwithstanding the foregoing, should the Force Majeure Event suffered by a party extend beyond a [two]-month period, the other party may then terminate this Agreement by written notice to the non-performing party, with the consequences of such termination as if this Agreement had been mutually terminated. Provided, however, any applications or SEVIS fees paid to Camp America shall not in any event be refundable.

And finally...

37. Respectful behaviour, laws and regulations

You understand that Camp America and its staff undertake at all times to treat applicants and enquirers with courtesy and respect. In return for this we require our applicants to always be courteous and polite to our staff and associates, in speech, writing and any other means of communication. You therefore agree that hostile or aggressive behaviour by applicants or their representatives will result in immediate cancellation from the programme and the forfeiting of all payments.
